1. EVENT OVERVIEW

Trade-In Events allow your customers to exchange used sports gear for immediate Store Credit. SidelineSwap evaluates items on-site while customers shop, typically providing quotes within 15-60 minutes via text message.

Customer Journey

- Customer brings used gear to SidelineSwap booth
- SidelineSwap evaluates gear and prepares a quote
- Customer receives and reviews the quote
- Upon acceptance, the customer receives a Store Credit redemption code via email/text
- Customer redeems Store Credit at your POS

Business Benefits

- Drives new traffic to your store
- Increases average transaction value (customers spend 3x trade-in amount)
- Provides sustainable solution for used equipment
- Creates positive community engagement

2. RETAILER RESPONSIBILITIES

Before the Event (2-4 Weeks Prior)

- **Marketing:**
  - Display the provided posters/stanchion signs (SLS will email the digital files)
  - Distribute bag stuffers with bonus code (SLS will email the digital files)
  - Promote via social media, email, and in-store
  - Train staff on event details
- **Logistics:**
  - Confirm freight box delivery
  - Secure landlord approval for outdoor setup (if applicable)
  - Identify space for the event (12'x12' area)
  - Provide shipping contact information

During the Event

- **Setup Requirements:**
  - Two to four 6-foot tables and two chairs
  - Space for 10'x10' tent (outdoors) or equivalent indoor space
  - Access to a power source within 50 feet
  - Ten 28"x15"x15" cardboard boxes (or similar size)
  - Secure 10'x10' storage space for traded-in gear (generally in the backroom)
  - Three pallets for shipping assembly
- **Staff Support:**
  - Ensure staff can process Store Credit redemptions (see below for details)
  - Direct customers to the trade-in area
  - Assist with any store-specific questions
- **Store Credit Redemption Process:**
  - Customer receives Store Credit redemption code via email/text
  - Customer presents the redemption code at checkout
  - Store associate applies credit to purchase
  - If not used the same day, credit can be converted to a store gift card

After the Event

- **Shipping Preparation:**
  - Ensure pallets are prepped and are accessible for pickup
  - Print the shipping labels & documentation (SLS will email these to you)
  - Prepare the loading area to avoid detention charges
  - Have staff available during the pickup window

---

3. SIDELINESWAP RESPONSIBILITIES

Before the Event

- **Marketing Support:**
  - Provide digital marketing materials
  - List event on the SidelineSwap website
  - Send email campaigns to local users
  - Run targeted Facebook ads
  - Reach out to local teams/organizations
- **Logistics:**
  - Schedule and ship freight boxes 1-2 weeks before the event
  - Coordinate with the store on delivery details

During the Event

- **On-Site Services:**
  - Evaluate all customer gear according to our Trade-In Guidelines
  - Provide quotes via text message
  - Process acceptances and issue Store Credit codes
  - Photograph and catalog items for online resale
  - Manage donation items

After the Event

- **Shipping & Reporting:**
  - Pack and prepare all acquired inventory
  - Email shipping labels and BOL by the end of the day on Tuesday
  - Schedule pickup (typically Wednesday 1-5 PM)
  - Cover all shipping costs (except detention charges)
  - Provide trade-in report within 15 business days

---

4. FINANCIAL DETAILS

Event Hosting Fee

- $300 per event weekend (fee waived for your first event)
- Deducted from trade-in payout
- Any store-funded trade-in bonus or marketing spend will be deducted from the $300 event fee

Payment Terms

- Net 90 days from the event date
- Please provide SLS wire transfer details/bank information since we cannot process international payments by check.
- Reports are provided within 15 business days after the event
- Payments based on accepted trade-ins minus event fees

Shipping Costs

- SidelineSwap covers all standard shipping costs
- Store responsible for detention charges ($87 minimum, $7.68/minute after 15 minutes)
- Avoid detention by having shipments ready at the scheduled pickup time

5. SHIPPING GUIDELINES

Freight Box Schedule

- Labels/BOL/Customs documentation emailed by the end of day Tuesday
- FedEx Freight & Ground pickup scheduled Wednesday 1-5 PM

Avoiding Detention Charges

- Have shipments fully wrapped, labeled, and ready
- Ensure adequate staff for loading
- Provide a clear path to the loading area
- Communicate any special requirements in advance
